ABOUT COLLEGE OF INSURANCE STUDIES JODHPUR

Professional knowledge and skills required to work in insurance industry are quite different from the traditional education relating to functional areas of management. The contemporary programmes, in insurance education need amalgamation of soft skill of management with practical concepts and real time practices necessary for making students the insurance professionals. The College of Insurance Studies Jodhpur (CISJ) is committed to cater to the professional education of students meeting the high standards of human resource requirements of the insurance industry.

The courses at CISJ are taught by academicians who also have decades of experience in the field of insurance. Our core faculty members are unique combination of individuals who groomed in insurance industry, worked as senior executives in insurance companies, and reinvented themselves as academicians. The CISJ faculty members have more than 10 man-years of experience as full time insurance faculty. For Value-addition, CISJ calls Corporate Visitors for guest lectures. The traditional area of Management Studies is taught by the academicians who acquired distinction in the subject knowledge.

It is an established fact that academic knowledge need to be integrated with practical exposure and real-time case studies for making a good professional career. With an aim to go beyond academics, CISJ programmes incorporate internship, industrial visits and garage visits as an invariable part of curriculum. The internship provides students an insight regarding internal working of the industry and exposes them to current work practices supplementing theoretical knowledge taught at CISJ. The industrial visits enable the students to assess the risk associated with the operation of a particular industry which they need to accept as an insurer in lieu of the contribution by the insured (i.e., premium). The garage visit provides students an insight about practical aspects of motor claims assessment.

Taking Admission in College of Insurance Studies Jodhpur is distinctive in the sense that with the joining a programme the student has chosen the career as an Insurance Professional. We have strong support of insurance industry that helps students in their placement. College of Insurance Studies Jodhpur is situated in the Campus of Nakoda College Jodhpur. The campus is situated in the heart of Jodhpur city at, Saraswati Nagar, Basni. It extends over large area land divided into various functional zones like main building, administrative block, academic block, library, and well-ventilated classrooms and Hostel Facility for Girls.

CISJ Management Team values health and safety of the students and keep their family free from worry. During Covid 19 Pandemic and subsequent spread of Corona Virus in 2020 and 2021, the College did not allow to hamper the learning of the students, timely conducting the examinations, and campus placement by making on-line arrangements and finally made the students to join their companies.

POSTGRADUATE DIPLOMA PROGRAMMES OFFERED

MASTER OF INSURANCE BUSINESS (MIB)-2 Semesters 1 Year

This is industry-specific Postgraduate Diploma Program focusing on knowledge and skills required by management professionals who plan to choose their career in insurance. The programme equips the students with a general management perspective and introduces them to the latest concepts and practices related to functional areas of insurance industry. The insurance industry consists of various

entrepreneurs like insurance companies, insurance intermediaries (e.g. Brokers, Third Party Administrators TPAs) and allied. The MIB is designed to fulfill the existing gap in the deliverables offered by the contemporary / conventional institutions who are offering Post-graduate degree or diploma in insurance management without full time faculty members and subject experts. The pedagogy of the MIB allows the students to be employable and industry worthy from day one; substituting the exiting practice wherein the employer has to invest time and money on orientation of the selected students because of lack of their domain knowledge of insurance operations. At College of Insurance Studies Jodhpur multi-spectra insurance domain knowledge is delivered by full time core faculty having rich practical and academic experience.

MASTER OF SCIENCE (MS) INSURANCE - 2 Semesters 1 Year

Business and Industries involve investment in property and to protect from risk associated, property insurance becomes essential. Since insurance companies accept the risk, they prefer to inspect and assess the risk and thereby arrive at pricing of insurance policy. Graduates in Engineering have great opportunities in general insurance sector as with their engineering background, they can be utilized for risk assessment through risk inspection and loss assessment as in-house surveyor. To cater to such requirement of the industry, CISJ offers one year postgraduate diploma programme MS in Insurance for Engineering Graduates.

NUMBER OF SEATS

Though, the institutions offering a professional qualification have no legal responsibility for placement of students who have successfully completed the course, College of Insurance Studies Jodhpur believes that morally the institution is bound for placement of its students. In view of this CISJ has set maximum 15 seats each for the programmes offered to set equilibrium in demand and supply.

For candidates belonging to OBC, SC, ST and Divynag (Physically Handicapped) Categories reservation as per Reservation Policies applies.

Management reserves the rights to increase/decrease the number of seats. Management also reserves rights to admit the students through Management Quota.

PROGRAMME FEES

First Semester	Rs. 1, 20,000
Second Semester	Rs. 1, 20,000
Total Fees of the Course	Rs. 2, 40,000

DISCOUNT IN FEES FOR STUDENTS OF SHRI NAKODA PARSHVANATH JAIN MAHAVIDYALAYA JODHPUR

Discount of 12% or Rs. 25000 (whichever is less) in above fees shall be given as per MOU with Shri Nakoda Parshvanath Jain Mahavidyalaya Jodhpur for admission of the students of Mahavidhyalaya pursuing their Bachelor's programme in current year or passed out in immediate previous year.

ADMISSION PROCEDURE

REQUIRED ACADEMIC QUALIFICATION

Master of Insurance Business

Candidates must hold a Bachelor's Degree or equivalent qualification of a recognized university. Such degree must entail a minimum of three years of education after completing higher secondary schooling [Class 12 or equivalent] (10+2+3 system). Candidates must have minimum 50% marks in Class 12 or equivalent and minimum 50% marks or equivalent CGPA in graduation. (The percentage of marks obtained by a candidate in the bachelor's degree would be calculated based on the practice followed by the University / Institution from where the candidate has obtained the degree)

Master of Science (MS) insurance

Candidates must hold a Bachelor's Degree or equivalent qualification of a recognized university in Engineering (B.E./B.Tech). Such degree must entail a minimum of three years of education after completing higher secondary schooling [Class 12 or equivalent] (10+2+4 system). Candidates must have minimum 50% marks in Class 12 or equivalent and minimum 50% marks or equivalent CGPA in graduation. (The percentage of marks obtained by a candidate in the bachelor's degree would be calculated based on the practice followed by the University / Institution from where the candidate has obtained the degree)
